<b>Response:</b>	<p>1. Please outline your general response to the report and what you are currently doing to address some of the issues identified.</p> <p>Thank you for sharing the recent insights into patient experiences. It's encouraging to see the overall positive feedback, which is a testament to the hard work and dedication from practices, in delivering high-quality care. At the same time, we recognise that there are always opportunities to improve. The feedback has highlighted some areas, where practices can further enhance the patient journey, and we are committed to addressing these constructively. We also look forward to continuing learning through future Enter and View visits. These opportunities are invaluable in helping to better understand patient perspectives and refine services accordingly.</p>
