

# Help us improve your HOSPITAL EXPERIENCE

- Do you stay local at Guy's & St Thomas' or King's College Hospital?
- Or do you travel outside the borough to visit St George's or Croydon University Hospital?

We want to hear from people who are registered with a Lambeth GP and also use these hospitals.

What services are you using?  
Do they meet your needs?

What's your journey like to get to the services you need?

What made you choose the hospital you go to?
